

2020 Virtual UK Oncology Forum

A Special Invitation

Date: Thu 24th & Fri 25th September 2020
Venue: Virtual - online
Registration: Registration open
Website: www.oncology-forum.co.uk

The 2020 UK Oncology Forum will now be hosted in a "Virtual Setting". This meeting is FREE of charge to all UK cancer healthcare professionals. We are delighted that BOPA will hold a committee meeting Thursday 24th September. All attendees of the BOPA Fringe **must stay** on for Day One of the UK Oncology Forum (we hope that you can join us for Day Two also.) We will be dedicating the Question Time session to all of the issues surrounding Covid-19 and it's impact on cancer services and treatments across the UK.

We have attracted leading UK & European expert speakers to the 2020 meeting. All are giving their valuable time freely to this meeting. We want to give them the respect that they deserve by ensuring that we have a full virtual audience. We politely ask that all attendees apply for study leave and attend the meeting for the duration. The meeting will be CME accredited.

NO sponsors have had any input to the programme or speaker choices. The programme is wholly designed by the Faculty. The meeting will run strictly to the ABPI code of practice, with full disclosure. The meeting is CME accredited.
